

## April 2017

### 2017 Capital Projects Update

As outlined to City Council and the public during the 2017 rate setting process CUI is undertaking multiple Capital Projects in 2017.

Construction began in March on the first project, Lift Station 13 Forcemain (LS 13 FM) & is on track for completion in July 2017. For more info visit [www.cuinc.ca/projects](http://www.cuinc.ca/projects)

### Organics – Weekly Pickup Begins Soon

Weekly organics pickup begins May 1. Have your organics cart to the curb by 7am on your pickup day & we'll take care of your organic materials.

### Save Water. Fix A Leak.

Spring is a great time to check your home for leaks. Toilets, humidifiers & outdoor taps are some of the biggest leak culprits which lead to high consumption & water bills. Need toilet leak check tabs? Come by the CUI office and we'll provide some for your home free of charge.

### Download The CUI Curbside Collection App Today!

Garbage, recycling, and compost schedules and reminders are available for CUI customers. You can also search for an item and get instructions on how to properly dispose of it. Visit [www.cuinc.ca/download](http://www.cuinc.ca/download) or search "CUI Curbside" in the App Store or Google Play.
