

## March 2017

### 2017 Capital Projects Update

As outlined to City Council and the public during the 2017 rate setting process CUI is undertaking multiple Capital Projects in 2017.

Construction will begin this month on the first project, Lift Station 13 Forcemain (LS 13 FM).

### Construction Imminent on Rainbow Road and Township Road 240

Work is scheduled to begin this month to improve the capacity and reliability of the waste water system. These changes will relieve existing system constraints, ensure compliance with environmental standards and accommodate future growth of the community.

Two key construction projects will take place within the highlighted construction zone on Rainbow Road and Township Road 240.

### Lift Station 13 Forcemain 1 (LS 13 FM 1)

CUI will be constructing 5.5 km of 600 mm diameter force main from Lift Station 13 to connect into the Great Plains Sanitary Trunk ("LS 13 FM"). The first phase of the LS 13 FM project will begin in early March with anticipated completion by July 2017.

Due to this construction Twp Road 240 will be closed beginning March 25 through May 9 and Rainbow Road will be closed for approximately 10 days beginning May 9.

As with any construction project, these dates may change so please check our website regularly for updates.

### Rainbow Road Sanitary Trunk (RRST)

CUI will be constructing 0.7 km of 1050 mm diameter gravity main between Rainbow Falls Gate (connection of LS 4 FM) and LS 13. The first phase of RRST is expected to begin in late Summer of 2017 with completion by the end of this year.

There will be impacts to local traffic flow as identified below and in the illustration:

- Township Road 240 from RR284 to Rainbow Road (Local access only – no through traffic)
- Rainbow Road closure from Rainbow Falls Gate to Township Rd 240 (Local access only – no through traffic)
- Access to the bike path in these areas will be unavailable during construction

CUI is committed to working with our stakeholders to minimize disruptions. Additional information about these projects, including upcoming road closure dates and other work scheduled for 2017 is available on [www.cuinc.ca](http://www.cuinc.ca). For questions, please contact us at 403-207-7284 or [projects@cuinc.ca](mailto:projects@cuinc.ca)

### Download The CUI Curbside Collection App Today!

Garbage, recycling, and compost schedules and reminders are available for CUI customers. You can also search for an item and get instructions on how to properly dispose of it. Visit [www.cuinc.ca/download](http://www.cuinc.ca/download) or search CUI Curbside™ in the App Store or Google play.
