

## **More Changes for Chestermere Utilities Inc.**

**November 14, 2018**

The CUI Board is pleased to announce that they have hired Mr. Richard Quail to serve as the functional interim CEO of CUI. Mr. Quail will have the title of Transition Manager to help move the company from its current state to a new model that will be chosen by City Council in the coming weeks.

Mr. Quail served as the Chief Administrative Officer for the Town of Okotoks from 2004-2016 and has expertise in infrastructure, planning and utilities.

“I look forward to assisting the City with the transition of CUI,” says Mr. Quail. “In that process, I am eager to enhance customer relations and work collaboratively to bring the company back under the City’s management.”

The decision on what the Company will become has yet to be decided, but at their regular meeting on November 6, City Council narrowed down the options. A final decision is expected before the end of 2018.
