

2019 CURBSIDE COLLECTION SCHEDULE

CUI collects recycling (blue carts) weekly, and garbage on a bi-weekly schedule year-round. Residents can dispose of two clear bags of garbage every other week. If required, extra bag tags are available for purchase from the City of Chestermere (City Hall).

Green carts (organics) are collected bi-weekly for the winter season, alternating with the bi-weekly collection of clear garbage bags. Organics collection will resume to a weekly pickup starting in April 2019 and continuing through to the end of October 2019 when yard waste volumes are high.

DID YOU KNOW?

Using storm ponds for recreational activities is dangerous and is prohibited in the City of Chestermere. Water levels and ice thickness change throughout the season due to the freeze-thaw cycles. Please stay safe and use public ice rinks for skating. A list of outdoor skating rinks is available at chestermere.ca
